# HOW MAJOR ORGANIZATIONAL SHIFT DRIVES A DEVOPS TRANSFORMATION

Marko Klemetti, Eficode

Michael Vormittag, Daimler Truck

Enterprise Tech Leadership Summit Online 24.4.2024

December 2021

# **Daimler Truck** and **Mercedes-Benz** split into two independent companies

---

this means change,  
**especially in IT**

# How

can organizational  
change **amplify**  
**technology**  
**transformation?**

DAIMLER  
TRUCK

Organizational  
change led to  
**reducing our  
application  
landscape by**

**40%**

## PAST

### Toolchain 1

### Toolchain 2

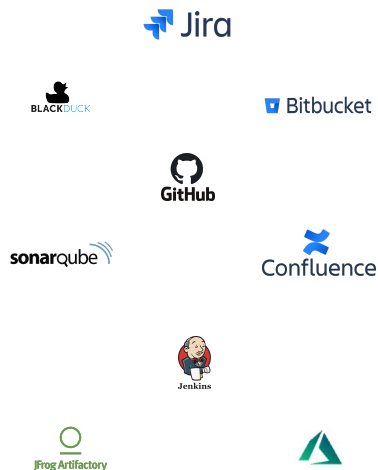

### Toolchain 3

## PRESENT

### The Truck Toolchain

## FUTURE

### The **FUTURE** Truck Toolchain

**Clear, dynamic,  
foundational**  
toolchain for the  
whole company

DAIMLER  
TRUCK

# Future of software development

Innovative companies  
**embrace software as a  
strategic competence**  
for outshining the  
competition

DAIMLER  
TRUCK

**Business**  
Agility

**Consolidated**  
Toolchains

DevOps  
**Safety Net**

AI-driven  
**Tooling**

DAIMLER  
TRUCK

AI to  
development  
**is like Agile  
to Waterfall**

# Key takeaways

DAIMLER  
TRUCK

## AI will 'close the circle'

=> bringing it to the  
organization starts / forces  
the change
